Paragraph 2, e. appears misleading. It could well be interpreted that USIA was always a member of the working group and that the Executive Officer's determination will relate only to other Agencies. It is recommended that the letter e be deleted and that the sentence be moved out to the margin so that it will constitute a part of the text and not of the enumeration of members of the working group, and that the words "will participate" be inserted after the word "agencies" so the sentence will read, "U. S. Information Agency and other agencies will participate as determined by the OCB Executive Officer."

The representative of the CIA on this working group will be
